HAINES HUNTER SF660

7.35M OVERALL LENGTH

A true thoroughbred, the SF660's blue water performance is head turning! The cockpit space is huge with maximum beam aft providing an incredibly stable platform. The handling is vice free without the need for big horsepower. And both are achieved without compromising comfort.

Perfect for serious fishing or diving trips, the SF660 is also a superb family boat that delivers adventure in style. An optional factory Sport Fishing Bimini Top, complete with rocket launchers, can set this boat apart even further - before even considering the legendary Haines Hunter ride!

SOFT DRY RIDE
